ACADEMIC INSTITUTIONAL MEMBERSHIP

About the Central Library:

Central Library, National Institute of Technology Karnataka, Surathkal was established in the year 1960 along with the institute having modern facilities and fully automated library system. The Main Library is housed in a spacious three-storied building adjoining the main building of the Institute on the southern side. Being an integral part of academic and research work on the campus, library provides information services to support the teaching, learning and research activities of the Institute by creating state-of-the-art facilities and offering innovative services. The new e-Library Complex has State-of-the-Art digital infrastructural facilities like Digital Learning Centre for Lecture Recording & Live Streaming of online programmes, Cyber Libraries to conduct hands-on training, Seminar Hall, Discussion Rooms, Laptop Zones etc. catering to more than 8000 on campus library users 24X7 along with in-house cafeteria.

Learning Resources:

The library has a rich collection of research monographs, text books, current periodicals, periodical bound volumes, standards, conference proceedings, reference books, edited volumes etc. encompassing all disciplines taught and researched at the Institute. The collection of reading materials in the library is rich, diverse and growing day-by-day. Currently, the collection consists more than 90,000 print books, 16,357 periodical bound volumes, nearly 24,000 e-books, 70 print periodicals, 11,094 full-text e-journals, 704 e-Theses, and 26 databases. Our library is core member of eShodhSindhu National Consortium of e-Resources initiated by Ministry of Education, Govt. of India.

Electronic Resources:

The Central library provides campus-wide IP-enabled access to a large collection of subscribed online engineering databases like ScienceDirect, Springer Nature, IEEE, Taylor & Francis, RSC, APS, IOP, OUP, BIS, SIAM Journals, Begell House, JSTOR, Emerald, ACM Digital Library, ASTM Digital Library, EBSCO, MathSciNet etc. and bibliographic databases like Web of Science, Scopus, J-Gate etc. This collection is growing every year and accessible to NITK community on the campus network and off campus through remote access facility.

Academic Institutional Membership:

To facilitate institutional linkages and interactions for mutual benefit, the Library has recently opened up its membership to the academic institutions by offering limited access to collection and services against a nominal fee. In order to get the membership, the academic institutions needs to fill in a separate form attached with this brochure and pay the following membership fee;
